

ISBM 2024

XVIth Congress of the International Society
of Bone Morphometry

<https://www.bonemorphometry.org/isbm-2024/>

MaRS Centre • Toronto, ON, Canada
Sept 30th to Oct 3rd, 2024

MaRS Centre and Discovery District
Sept 30th to Oct 3rd, 2024
101 College St, Toronto, Ontario, Canada

Immediately after the 2024 ASBMR Meeting

ABSTRACT DEADLINE

May 1st, 2024

Who Should Attend?

Students, postdoctoral fellows, staff, faculty, and industry professionals that are interested in ***all aspects of the quantitative imaging and analysis of bone and bone-associated tissues***.

ISBM meetings provide a close-knit setting for “bone heads” and imaging enthusiasts alike, and are a great place to meet new people and form new collaborations. We welcome those of all abilities and at all stages of their careers.

ISBM 2024 Meeting Highlights

- Travel awards
- Presentation opportunities
- Engaging scientific sessions
- Training workshops
- Early Career Investigator (ECI) sessions
- Leadership panels and opportunities
- Relaxed, collaborative atmosphere
- Networking events
